

The Annexe Project Education Centre

844 Sims Ave, #01-716
Singapore, Singapore 400844
Singapore

Phone: +65 9068 3979

The Annexe Project is a creative tuition centre in Singapore that caters to secondary and junior college students. We specialise in Mathematics and English tuition in Singapore, preparing students for their Cambridge O-Level and A-Level examinations. We also offer courses to prepare for Admissions Exercise for International Students (AEIS) to international students seeking admission to our mainstream schools in Singapore and International Foundation Programme offered by the University of London.
