

Leiamoon

United States

Phone: 914-222-0705

Leiamoon gives you an easy and comfortable way to make vaginal steaming part of your self-care routine. A time-honored tool for feminine wellness recommended by modern experts, vaginal steaming traditionally involves sitting over a pot of boiling water infused with herbs. Leiamoon fuses the latest technology with this ancient ritual to make the practice safer and more accessible than ever before.
