The Dental Implants Center
Beverly Hills Medical Group

Suite 211, 57 Paseo de Roxas
Makati, Metro Manila 1226
Philippines

Phone: +63 2 8819 0430

Dental implants are the closest you can get to your natural healthy teeth allowing you to do the same things you would normally do like - confidently eating, smiling, laughing, talking, kissing and enjoying all of your everyday activities without worrying about your teeth. Basically, the point of dental implant surgery is to replace missing or damaged teeth and roots with artificial teeth and roots. Implants can be a more comfortable alternative to the traditional full-mouth dentures.
