

Memory Health Center at Summit Research Network

2701 NW Vaughn Street, Suite 350
Portland 97210
OR

Phone: 503-228-2273

Dr. Scott Losk and our team of our doctors and clinicians provide diagnostic assessments, clinical trials and supportive counseling for you and your loved one. Neurobehavioral and medical evaluations are available. Each patient is assessed and recommendations are made. With your permission, we also communicate regularly with primary care physicians to maintain continuity of care.
