

US Fleet Services

1000 Stanley Ave
Brooklyn, New York 11208
United States

Phone: (718) 747-8810

Many repair shops don't understand that buses are unique machines, and require knowledgeable technicians. We are familiar with all makes and models of coaches, transit buses, school buses, and cutaways. We have over 30 years of experience doing bus repairs and our technicians are ready to tackle any problem you are having with your bus.
