Our company, Annfield Windows & Conservatories, is based in County Durham and offers windows and conservatories for various homes and businesses in the North of England. It's easy to receive a no-obligation quote and start benefitting from our 25 years of industry experience. We have windows and conservatories in our name and, indeed, prominently in our business undertakings. The main work of our family-run company, which is based in the County Durham village of Annfield Plain, includes.
